

TRAILER BOAT STORAGE INFORMATION

Location

Port San Luis operates a trailer boat storage yard on a site 50 yards east of the Diablo Canyon power plant entrance gate. Trailers and vessels up to 10' wide and approximately 30' in length can be accommodated. Spaces are numbered on the bumper or the fence. The number is the center point when parking your boat. Only one boat is permitted per space.

Permit Process

The monthly rate is \$75.00 per month. The District requires three months advance payment of \$225.00. A current copy of the boat and trailer registration and a completed storage permit are also required. Space rent is billed quarterly and payment in advance is required. Patrons wishing to sign up must do so in the Harbor Office during regular business hours (Monday through Friday, 8:00 AM to noon and 1:00 PM to 4:30 PM). The District requires 30 day written notification to cancel a boat storage permit.

Security

The storage yard is fenced but not fully paved. The yard has its own entrance gate with a combination lock. Only those with an approved permit are given the combination. Harbor Patrol Officers are on duty from 6:00 AM until 8:00 PM, after which time a night security guard is on duty. The yards are regularly patrolled. Still, patrons are advised not to leave loose gear (such as fishing tackle) or electronics on board.

Other

Working on boats in the storage yard is not allowed. Contact Port San Luis Boatyard at (805) 595-7895 to make arrangements for working on your boat. Camping, open fires, welding or cutting are also prohibited. Patrons must keep their site clean and free of weeds and debris. Often those who wish to use their boats all weekend may make arrangements with Port San Luis Water Taxi to rent a mooring so they can leave their boat in the water. The rate is \$15.00 per night, and the phone number is (805) 305-4796.

Thank you for your interest in Port San Luis.
